"It's like working with a family, but a family that is so different, and the differences make us so united. And there is so much love! I like to say, you have no choice but to be loved by your camp team! That's what I've felt this year."

**Barbara / 2019 Staff, Former Camper**

"Camp BlueSky was an amazing experience in every aspect - the family of the staff here, getting to see Kenya, seeing God's beauty...walking in God's provision every step of the way."

**Jude / 2015 Staff**

"Being a camper and experiencing having counselors pour into me and show me God's love was the first time I'd felt love in a while. Come here, and because God loves you, love them...Coming [to camp] can change their lives. It did for me."

**Ruth\* / 2018 Staff, Former Camper**

"I've become more resilient, more mature, more loving, more compassionate, more understanding of different people and different situations."

**Nia / 2019 Staff**

"This summer I was surrounded by a lot of people who weren't like me, and they taught me how to love people that aren't like me. It showed me better how the Body of Christ is represented around the world and how God is moving among the nations."
